CIRCULAR

1. INTRODUCTION

The audited financial results of the Datatec Group for the year ended 28 February 2015 were released on SENS on Wednesday, 13 May 2015 and published in the press on Thursday, 14 May 2015. In these results announcements, Datatec Shareholders were advised that the board of directors of the Company ("Board") had resolved to declare a final distribution of fully-paid Datatec ordinary shares of one cent each ("the Scrip Distribution") to ordinary Shareholders ("Shareholders") recorded in the register of the Company at the close of business on the Record Date, being Friday, 17 July 2015.

Shareholders will, however, be entitled to elect to receive a cash dividend of 108 cents per ordinary share of one cent each held on the Record Date, being Friday, 17 July 2015, in respect of all or part of their ordinary shareholding, instead of the Scrip Distribution ("the Cash Dividend"). The Cash Dividend will be issued only to those:

- certificated Shareholders whose Forms of Election to receive the Cash Dividend, in respect of all or part of their shareholding, are received by the Transfer Secretaries on or before 12:00 noon (11:00 UK time) on Friday, 17 July 2015; and
- dematerialised Shareholders who have instructed their CSDP or broker accordingly and in the manner and time stipulated in their agreement with such CSDP or broker.

The terms of the Scrip Distribution are contained in paragraph 3 below.

Shareholders not electing to receive the Cash Dividend in respect of all or part of their ordinary shareholding will, without any action on their part, be entitled to receive the Scrip Distribution in proportion to their ordinary shareholding as at the close of business on the Record Date, being Friday, 17 July 2015 and in accordance with the ratio set out in this Circular.

Datatec does not accept any responsibility, and will not be held liable, for any action on the part of, or omission by, any CSDP, broker or other agent of any beneficial owner of Datatec ordinary shares.

No payment to Shareholders contemplated in this Circular shall carry interest as against the Company. Furthermore, any reference in this Circular to the Cash Dividend payable to or receivable by Shareholders refers to the amount of such dividend, after the deduction of Dividend Withholding Tax, if any, as contemplated in paragraph 3.4 below.

2. RATIONALE

The Datatec Group's current and forecast solvency and liquidity comfortably allows for the payment of a full cash dividend. The Scrip Distribution with the election to receive the Cash Dividend allows Datatec to increase its capital base to support continued growth, affords Shareholders the opportunity to increase their shareholding in Datatec and provides flexibility for those Shareholders who would prefer to receive the Cash Dividend. This will also facilitate Datatec's management of its internal liquidity.

3. THE AWARD OF THE SCRIP DISTRIBUTION OR THE ELECTION TO RECEIVE THE CASH DIVIDEND ALTERNATIVE

3.1 Terms of the Scrip Distribution and the Cash Dividend Alternative

Subject to this Circular and to due completion of the attached Form of Election, Shareholders will be entitled to receive a final distribution of fully-paid Datatec ordinary shares of one cent each in respect of all or part of their ordinary shareholding as at the close of business on the Record Date, being Friday, 17 July 2015, in proportion to their ordinary shareholding and to the extent that such Shareholders have not elected to receive the Cash Dividend.

Shareholders will, however, be entitled to elect to receive the Cash Dividend alternative of 108 cents per ordinary share of one cent each held on the Record Date, being Friday, 17 July 2015, in respect of all or part of their ordinary shareholding and instead of the Scrip Distribution.

Shareholders on the Jersey register who elect the Cash Dividend alternative will receive the GBP equivalent of 108 cents per ordinary share held on the Record Date, translated at the closing exchange rate on Wednesday, 15 July 2015.

The number of Scrip Distribution shares to which each of the Shareholders will become entitled pursuant to the Scrip Distribution (to the extent that such Shareholders have not elected to receive the Cash Dividend) will be determined by reference to such Shareholder's ordinary shareholding in Datatec (at the close of business on the Record Date, being Friday, 17 July 2015) in relation to the ratio that 108 cents bears to the volume weighted average price ("VWAP") of an ordinary Datatec share traded on the JSE during the 30-day trading period ending on Thursday, 2 July 2015, provided that, where the application of this ratio gives rise to a fraction of an ordinary share, the rounding principles described in paragraph 3.2 below will be applied.

Example of Scrip Distribution entitlement:

This example assumes that a Shareholder holds 100 ordinary shares at the close of business on the Record Date, being Friday, 17 July 2015, and does not elect to receive the Cash Dividend alternative for all or part of such ordinary shares, and that the volume weighted average price of Datatec's ordinary shares traded on the JSE for the 30-day trading period ending on Thursday, 2 July 2015 is 6 110 cents per ordinary share.

New ordinary share entitlement =
$$\frac{100 \times 108 \text{ ZAR cents}}{6\,110 \text{ ZAR cents}}$$

= 1.76759 Scrip Distribution shares per 100 ordinary shares held, subject to the rounding principles described in paragraph 3.2 below. This would result in a shareholder with 100 shares receiving a new ordinary share entitlement of 2 Scrip Distribution shares and a shareholder with 300 shares receiving a new ordinary share entitlement of 5 Scrip Distribution shares.

The Cash Dividend will be paid out of the Company's distributable retained profits while the issue price of the Scrip Distribution (which will equal the volume weighted average price of Datatec's ordinary shares traded on the JSE for the 30-day trading day period ending on Thursday, 2 July 2015) will be settled by way of capitalisation of the Company's distributable retained profits. The Scrip Distribution shares will, upon their issue, rank *pari passu* in all respects with the other ordinary Datatec shares then in issue.

The Company's total number of issued ordinary shares at the date of this Circular is 203 614 644 (including 6 643 ordinary shares held as treasury shares). Datatec's income tax reference number is 9999/493/71/2.

If all Shareholders were to accept the Scrip Distribution, without electing to receive the Cash Dividend alternative, the number of Scrip Distribution shares issued would amount to 3 599 072, based on the assumed Scrip Distribution ratio in the example above (and ignoring rounding up or down for fractions on a per Shareholder basis) and the aggregate issue price of R219 903 299.20 being capitalised out of the Company's distributable retained profits.

If all Shareholders were to elect to receive the Cash Dividend the maximum gross cash dividend payable by the Company would be R219,903,815.52.

3.2 Fractions

Trading on the Alternative Investment Market of the London Stock Exchange (“AIM”) in the CrestCo Limited (“CREST”) environment and on the JSE in the Strate Proprietary Limited (“Strate”) environment does not permit fractions and fractional entitlements. Accordingly, where a Shareholder’s entitlement to new Datatec ordinary shares calculated in accordance with the above formula gives rise to a fraction of a new ordinary share, such fraction of a new ordinary share will be rounded up to the nearest whole number, where the fraction is greater than or equal to 0,5, and rounded down to the nearest whole number, where the fraction is less than 0,5.

3.3 Nominee companies

The Transfer Secretaries have been instructed to treat applications from nominee companies as separate applications on the submission of a breakdown of the beneficial owners of ordinary shares registered in the name of the nominee companies.

3.4 Tax implications

3.4.1 *in the case of South African Shareholders:*

3.4.2 The Scrip Distribution and the Cash Dividend alternative are likely to have tax implications for both resident and non-resident Shareholders. Shareholders are therefore encouraged to consult their professional tax advisers, should they be in any doubt as to the appropriate action to take. In terms of the Income Tax Act 58 of 1962 (“the Income Tax Act”), the Cash Dividend will, unless exempt, be subject to Dividend Withholding Tax (“DWT”). South African resident Shareholders that are liable for DWT will be subject to DWT at a rate of 15% of the Cash Dividend and this amount will be withheld from the Cash Dividend with the result that they will receive a net amount of 91.8 cents per share. Non-resident Shareholders may be subject to DWT at a rate of less than 15%, depending on their country of residence and the applicability of any Double Tax Agreement between South Africa and their country of residence; and

3.4.3 The Scrip Distribution is not subject to DWT in terms of the Income Tax Act, but the subsequent disposal of ordinary shares obtained as a result of the Scrip Distribution is likely to have Income Tax or Capital Gains Tax (“CGT”) implications. Where any future disposals of ordinary shares obtained as a result of the Scrip Distribution falls within the CGT regime, the base cost of such shares will be deemed to be zero in terms of the Income Tax Act (or the value at which such ordinary shares will be included in the determination of the weighted average base cost method will be zero).

3.4.4 *in the case of UK Shareholders:*

3.4.5 UK Shareholders should consult their own professional advisors regarding the UK tax implications. Generally, a UK Shareholder to whom new shares are issued pursuant to the Scrip Distribution will not be liable to UK income tax in respect of the issue of the new ordinary shares. For the purpose of calculating any future liability to UK tax on chargeable gains, the new ordinary shares issued in terms of the Scrip Distribution will be added to a Shareholder’s existing shareholding and will be treated as having been acquired as and when the existing shares were acquired. There will be no addition to the base cost of the increased shareholding; and

3.4.6 The Cash Dividend will be paid out of the Company’s distributable retained profits and will therefore be subject to South African DWT as noted above. Under the UK/South Africa double taxation convention, the applicable DWT is reduced to 5% in respect of UK Shareholders. The gross Cash Dividend will be taxed as an income distribution in the hands of UK resident Shareholders.

4. FOREIGN SHAREHOLDERS

The distribution of this Circular, and the rights to receive the Scrip Distribution shares in jurisdictions other than the Republic of South Africa, may be restricted by law and any failure to comply with these restrictions may constitute a violation of the securities laws of such jurisdictions. **Accordingly, Shareholders will not be entitled to receive the Scrip Distribution shares, directly or indirectly, in those jurisdictions and shall be deemed to have elected the Cash Dividend alternative.** Such non-resident Shareholders should inform themselves about and observe any applicable legal requirements in such jurisdictions. It is the responsibility of non-resident Shareholders to satisfy themselves as to the full observance of the laws and regulatory requirements of the relevant jurisdictions in respect of the Scrip Distribution, including the obtaining of any governmental, exchange control or other consents or the making of any filing which may be required, compliance with other necessary formalities and payment

of any issue, transfer or other taxes or other requisite payments due in such jurisdictions. Shareholders who have any doubts as to their position, including, without limitation, their tax status, should consult an appropriate adviser in the relevant jurisdictions without delay.

Shareholders who do not wish to receive any Cash Dividend do not need to take any further action and will receive the Scrip Distribution. Shareholders electing to receive the Cash Dividend should note that the election is irrevocable and, once an election to receive the Cash Dividend is made, such election cannot be cancelled.

6. **POSTING OF SHARE CERTIFICATES, PAYMENT OF CASH DIVIDEND AND UPDATING/CREDITING OF CSDP/BROKER ACCOUNTS**

Certificated Shareholders who have not already provided the Transfer Secretaries with their banking details are requested to complete **FORM B: Direct Credit – Bank Account Details** attached to this Circular and return same to the Transfer Secretaries. **(To combat the increase in cheque fraud, the Company has discontinued payments by cheque and accordingly, payment of any Cash Dividend to Certificated Shareholders is dependent on the Transfer Secretaries being in possession of such Certificated Shareholder’s banking details.)**

Shareholders' CSDP/broker accounts will be updated on Monday, 20 July 2015.

Cash Dividend payments will be made by BACS (direct credit) to shareholders on the Jersey register, where applicable on Monday, 20 July 2015.
